Consent to Physical Therapy

1. I hereby authorize the release of medical information necessary to process my insurance. I also request payment of government benefits either to myself or to Comprehensive Therapy Services. I understand that the duration of the authorization is for the term of coverage of the policy or contract under which a claim for health benefits has been submitted. If this authorization is given in connection with a claim for disability or life insurance benefits, I understand that it is valid for the duration of the claim. I agree that a photocopy of this authorization is as valid as the original.

2. I authorize payment and assignment of my health insurance benefits directly to Comprehensive Therapy Services, Inc. I fully understand that I am financially responsible for any services not covered by this authorization.

3. I have presented myself to this facility for physical therapy treatments and consent to diagnostic procedures and care provided by my attending physical therapist. Your comfort is our priority. If you would like more privacy than our gym offers, treatment will be rendered in a private room. You may request a chaperone for your private treatment session as needed.

4. I realize I have the right to refuse any drugs, treatments, and procedures to the extent permitted by law. I acknowledge that medicine is not an exact science. No guarantees or warranties can be made to me regarding the results of any treatments at this facility. I understand that information from any medical record(s) kept by this facility may be used for educational administrative, and/or facility approved purposes when my personal identity will not be revealed.

5. **NOTE TO WORKERS COMP** I hereby authorize my rehab consultant to receive my records related to my work injury. This information may be faxed or mailed.

6. I understand, if I do not attend physical therapy for four weeks or miss three consecutive appointments that I am subject to discharge, or I do not inform my physical therapist of such absences. Once I have been discharged, I understand that I will need a new physician's order/referral for any further therapy and will be receiving a new evaluation. This is in compliance with the California State Law.

7. "LATE FEES" Patient balances due are to be paid once the insurance has processed and paid or denied your claims. If not paid timely, a $5.00 late fee could be incurred per billing cycle. Co-pays are due at the time of service and are also subject to the late fee.

8. Children must be supervised. For safety reasons, children are not allowed in the therapy area.

9. Durable medical equipment may be suggested by your physical therapist. Please be advised CTS is not contracted to bill Insurance for DME, therefore you will be responsible for payment.

10. I agree that in the event of non-payment of any patient balance due, I will bear all costs incurred for collection and/or court fees/legal fees required to satisfy the debt owed, should such court action be required.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE GENERAL CONSENT FORM AND ANY QUESTIONS I MAY HAVE HAD HAVE BEEN FULLY ANSWERED TO MY SATISFACITON.

CTS Attendance Policy

Let's work together to provide you the best possible care…the care you deserve!

We're glad you have chosen us to provide your medical care! We value your health and patronage. At CTS, our goal is to provide high quality individualized medical care in a timely manner. As a patient of CTS, your concession with our Attendance Policy enables us to better utilize available appointments for our patients in need of medical care and to increase the efficiency of our practice. Thank you for your compliance!

CANCELLATION OF AN APPOINTMENT

In order to be respectful of the medical needs of other patients, please be courteous and call CTS promptly if you are unable to show up for an appointment. This time will be reallocated to someone who is in need of treatment. If it is necessary to cancel your scheduled appointment, we require that you call at least 24 hours in advance. Appointments are in high demand, and your early cancellation will give another patient the possibility to have access to timely medical care.

HOW TO CANCEL YOUR APPOINTMENTS

To cancel appointments, please call (858) 457-8419. If you do not reach a patient coordinator, you may leave a detailed message on the voicemail. If you would like to reschedule your appointment, please leave your phone number. We will return your call as soon as possible and give you the next available appointment time.

LATE CANCELLATIONS AND NOW SHOWS

A Late Cancellation is considered when a patient fails to cancel their scheduled appointment with a 24 hour advanced notice. A "No Show" occurs when a patient misses an appointment without cancelling it in an adequate manner. A failure to be present at the time of a scheduled appointment will be recorded in the patient's chart as a "No Show." This includes arriving 15 minutes or later after your scheduled appointment time.

CTS MISSED APPOINTMENT POLICY

At the first occurrence of a No Show, Late Cancellation, or cancellation without reasonable excuse there will be no charge to the patient; however, CTS may send a Courtesy Reminder for the patient to review our Attendance Policy. The second occurrence will result in a Missed Appointment Fee of $50 billed to the patient's account. (This charge is not covered by insurance). The third occurrence will result in a Missed Appointment Fee of $50 billed to the patient's account and may result in discharge from the practice accompanied by a discharge report being sent to the patient's referring physician.
